JOKES ABOUT GOATS

Here we goat again...

What do you call a goat that knows martial arts?
...Karate kid

What do you call a billy secret agent?
...Goateneye

Be Nice To Goats
...They're Just Kids

A goat, a drum, and a snake fell off a cliff..
...Baa - dum - ssss

What's a goat's favorite TV show?
...America's Goat Talent.

Is a goat that eats office supplies on a staple diet?

Why is it hard to have a conversation with a goat??
...Because the goat always butts in!

I tried to phone the spiritual leader of Tibet once, but was sent a big goat with a long neck instead.
...Turns out I had phoned Dial-a-Llama.

Two goats chew on a VHS tape. The first goat says "This film is pretty good" & the other one replies: "Yeah, it's OK but the book

was better."

In order to make a relationship work, you have to make a lot of sacrifices....
Which is why I keep a large number of goats in my garden...

Pregnant goat joke

A goat tells her boyfriend she's pregnant.
He immediately replies,
"What? You're kidding!"

To which she replies back,
"Yeah, that's what I said."

What about the terrible stinking smell?

Barry and Ray are headed home after a big night on the town when Barry accidentally hits a buck goat. Ray being the animal lover he is jumps out of the car and gives the goat artificial respiration and revives him.

Ray says to Barry he's going to be fine but it's cold so we'll have to put him in the car to keep him warm. Barry yells "What about the terrible stinking smell in my car?"

Ray says
"That's OK we'll hold the buck's nose!"

FACTS ABOUT GOATS

Goats can be taught their name and to come when called. So make sure you give it a cool name.

Goats don't have teeth on their upper jaw. Instead, they just have a strong dental pad.

Goats have rectangular pupils. This unusual shape, shared by sheep and several other ungulates, gives them a fuller range of vision than humans and other animals with round pupils.
